

AUSTIN ISD ATHLETICS ACCIDENT INSURANCE

Austin ISD provides a supplemental accident insurance policy for all middle school and high school UIL participants while participating in a UIL sanctioned activity before, during, or after school and while traveling to that activity. This supplemental insurance policy requires your primary insurance to be used first. After your primary insurance has reached its policy limitations, parents may file a claim for the reimbursement of medical bills up to the supplemental insurance plan limitations. If you do not have personal insurance, the plan may be used to cover medical bills up to the plan limitations only. Neither Austin ISD nor the insurance provider will pay 100% of the cost incurred from an injury.

If you do not have personal insurance for your son/daughter, please consider purchasing extended coverage for them. Austin ISD offers student insurance policies to students and parents at the beginning of each school year.

A claim form must be submitted along with your primary insurance's Explanation of Benefits statements and itemized bills from the provider. This claim form must be led within 6 months of the injury. Section A will be completed by a school official. Section B is to be completed by the parent/guardian.

After benefits have been approved, the company will issue a check for the allowable amount to either the provider or the parent/guardian if the bill has already been paid.
